

Firefighters To Return To Posts

ORANGE COUNTY FIREMEN--and their red trucks, were protecting Placentia citizens and their property over the past week. Ready to roll from Fire Station II are Dan Eddleman, Larry Flagg, Garry Layman and Ken Sigsbee.

Placentia city firemen were ordered back to work Monday by the courts, following a week's work stoppage in which citizens of Placentia were guarded by Orange County's fire fighters.

The action, the end of an acceleration of events between Placentia city government and the Fire Fighters Union, Local 2147, AFL-CIO, including arrests for theft charges, 30-day suspensions for four fire fighters and Orange County firemen manning Placentia fire houses, has again plummeted the city and the union into the courts.

The most recent fracas concerns four arrests made last week of firemen charged with petty theft from vacant city-owned buildings.

Following this disclosure, the city issued a 30-day suspension to four other firemen and a reprimand to a fifth. The 30-day suspensions led to union action and a legally debated walkout-lockout, which found Placentia firemen staying home.

The city administration, with city council approval, immediately secured crews from the Orange County Fire Department service to

tide the city through the crisis.

Firemen Tuesday were reportedly returning to their posts after ordered by the courts through a temporary restraining order sought by the city of Placentia.

The order set a hearing date of July 14 for the hotly-contested issue of whether the firemen walked out or were locked out. Intermittent picketing by some firemen has been in evidence.

The Fire Fighter's union also has in the courts a \$15.5 million dollar law suit against some former and present city council members and some members of staff, with the first court ruling going against the union and with a subsequent appeal. Hearing on the appeal is expected next year. Issues concern working conditions and working hours. The firemen are on an eight-hour day and have frequently protested the arrangement publicly.

The most recent clashes began with announcement by Placentia Police Chief Norman Traub that charges of theft from city buildings had been leveled against four fire men including Fire Captain Rick

Bitrich, Diamon Bar; Engineer Arthur Wilkerson, Norco and Firemen Patrick Owen Wible, Brea and Richard James Clawson, Corona. These men were terminated.

The next action involved a 30-day suspension without pay for four other firemen and a reprimand of a fifth.

Chief Traub describes events: "We met with the union at 10:30 a.m. and presented them with a letter. Twenty-two firemen are clear of all action as they took nothing and are not involved."

"We then indicated to them that we wanted to talk to five firemen. These firemen were (allegedly) involved in taking property...four of them involved in (allegedly) taking city property and using it for their own personal and private use. One other fireman (allegedly) in taking private property."

"We wanted to give each of the firefighters an opportunity to say anything in their behalf that might aid us in our decision on the actions to be taken."

"The union then advised us that

none of the firemen would say anything to us. We then met with those five firemen and union representatives at fire station one and they were given another opportunity to say anything they desired on their own behalf. Four of the firemen elected to say nothing. One of the firemen admitted that he had acted improperly. He received a written reprimand. He is not being suspended."

The four suspended firemen include Larry Kinard, Placentia; Tracey Thompson, Fullerton; Rodney Kliner, Buena Park and Lester Daywalt, Corona.

Former Fire Captain Semma Williams, retired from the Placentia department on disability but still president of the local union issued the following statement, leading to the walkout-lockout.

"The members of Local #2147 on advice of council (counsel), have voted to not answer questions until they are represented by council (counsel) at time of questioning. The reasons for this vote are that a criminal investigation is in progress

[Continued on Page 15]

A Few More Homes Needed

An additional two homes are needed in the Placentia area for a group of Japanese students who will be arriving in this city to attend classes starting July 19.

Mrs. Mary Lee Fleischer of 212 Bagnall Avenue, Placentia, in charge of the housing of the students said that a home is also needed for the program director, a university professor, who will be writing articles about the students' visit.

The group of 35 students will be in classes at El Dorado High School for three weeks from July 19 to August 9. Mrs. Fleischer said that week that 33 homes are already available for the guests with only three additional required.

The program is under the sponsorship of the Foreign Study League, an educational service of Reader's Digest.

The students are ages 18 to 22 and require room and board and assistance with transportation to and from El Dorado four mornings a week. All speak English. The students' time will be filled with a wide range of excursions and activities planned to give them as complete exposure as possible to American life, Mrs. Fleischer explained.

Mrs. Fleischer can be reached at 524-0716.

Schools Hike Top Salaries

A salary increase to \$37,300 annually from the current \$34,650 has been accorded Superintendent of Schools, Placentia Unified School District, John O. Tynes by trustees of the Board.

Voting the raise were trustees John Balducci, John Press and Mrs. Jean Pappas with Dr. William Yates and Salvador Zavala absent.

Classified management personnel also were granted increases of 9.7 per cent, including a 5 per cent overall pay boost, merit pay and adjustments in the present salary schedule.

Included in the category are division directors for planning, business services, classified personnel and data services and the supervisors of food services, transportation and maintenance.

The salary boosts followed an extensive executive session.

Weekend Fires Light

The Placentia Fire Chief, James Sims, reported this week that there were 15 fires during the Fourth of July weekend...none with large loss of property.

On July 3, Orange County Firemen reported on five fires and three rescues; July 4, six fires (two from fireworks) and no rescues; July 5, four fires and one rescue and on July 6, no fires and no rescues.

It was described as a quiet week end.

DUNLAP DISMISSED

Reginald Dunlap, 64, Placentia resident, has been dismissed from his position in the Orange County Assessor's office.

Dunlap had been involved in legal problems that have beset the assessor's office concerning the campaign of Congressman Andrew Hinshaw and involving various court trials.

S. Vietnam Cabinet Member Resident Of Placentia

BY BETTY MEAD

The doctor, who until two months ago was the Minister of Health of South Vietnam, with the responsibility of health service for 21 million Vietnamese and a million refugees and war victims, Dr. Ton That Neim, now lives quietly in a small garage apartment in the heart of Placentia.

The young, personable doctor is extremely grateful for the refuge for him and his attractive family.

Torn by years of war, the loss of a homeland and his inability to extricate all members of his and his wife's family from the remnants of a proud country, Dr. Neim surveys his future.

He was perhaps one of the last persons to leave South Vietnam.

He describes the experience: "Now, I can't imagine how I got out of Saigon. The climate was so troubled. I got out on Tuesday, April 29. I was picked up by an American helicopter from the center of Saigon at 7 p.m. and taken to the Saigon Airport at 8 p.m. Saigon fell at 10 a.m. the next morning."

Educated in Vietnam, a country that grants education a top priority, Dr. Neim has held many responsible positions in his country's government and in civilian life. He was a duly elected senator in Vietnam with a six year term and a key member of the National Union Cabinet, the last minute effort thrown together to save the country after President Thieu's resignation.

The effort was too late. As Minister of Health, the equivalent in this country of the cabinet post of Secretary of Health, Education and Welfare, Dr. Neim had in his charge 60 specialized and provincial hospitals and 15,000 medical and paramedical personnel. Other positions, previously held, are equally impressive.

His first words are in appreciation for his new-found Placentia friends and the affection bestowed upon him and his family: "I receive a lot of help from the Calvary Church and the friends of the Calvary Church. I have the feeling that if you had come to my country, as I have, that you would not have found such kind, so nice people to help you...as I receive here...as my friends from Calvary Church."

(Continued on Page 16)

DR. NEIM AND MRS. NEIM--outside the Placentia cottage where they live temporarily, talk of the past and the future. He was Minister of Health for the country of South Vietnam.

Bradford Home Up To Council

The A.S. Bradford Home, built in 1902, may have lost its last opportunity to survive, as recommendation has been made by staff to the Placentia City Council, following a committee recommendation, that it be demolished.

Action by the city council was anticipated Tuesday night.

The two-story house, painted green, shows its back to Yorba Linda Boulevard and faces Palm Drive in the two-and-a-half acre park area between Bradford Avenue and Kraemer Boulevard.

The home has been the object of attention from The Placentia Founder's Society, whose members have sought to preserve the

73-year-old house. The Society formed a year ago has attempted to raise funds to bring the house up to building code so that it can be used by the public.

Among suggestions for the use of the home have been as a cultural center, for guided tours, meeting place and senior citizens' facility. The Founders seeking to raise a fund of \$5,000 has come closer to a \$500 balance from a series of activities. Members indicated, however, that some pledges have been made in addition.

The Bradford Home was built by Albert Sumner Bradford, who came to the area in 1890. He founded the town of Placentia in

1910 and in 1911 established the Placentia Savings Bank, which was sold to the Bank of Italy and later became the Bank of America. He also secured the right-of-way of the Atchison, Topeka and Santa Fe Railway Company through the city.

Furnishings have mostly been removed from the two story home, which also has a full size basement. The interior shows paneling, hand-carved balustrades and marble fireplaces.

The home and surrounding park were gifts to the city from the Bradford family. The family has approved city development plans for the park site that either include or exclude the home.

School, City Valuation Doubles Prediction

A windfall in Orange County property assessment valuations, which has boosted up the Placentia Unified School District base a whopping 22 per cent, could serve to take the district out of the state-sponsored school building program, Dr. John Mullender, Assistant Superintendent, Administrative Services advised this week.

The fast-building district, covering 35 square miles, recently two-thirds voted a \$20 million school construction bond issue, to make it eligible for the state building program, which works in reverse measure to the affluency of the school district.

"I'm skeptical," Dr. Mullender gave his reaction to the news from the assessor's office. "I can't believe it is really that high. I'm waiting for more information."

The hike of 22 per cent follows one last year of 21 per cent, also unexpected. This year's prediction had been between 9 and 10 per cent as an increase in the district's assessed valuation.

The city of Placentia also received unexpected largesse in an 18.1 per cent increase, following a 22.5 per cent boost in 1974-75.

Frank Dunnivant, the city's Director of Finance, said the budget had been calculated on hopes of a 10 per cent acceleration but nothing like the current boost.

"I haven't had time to make the

calculations," Dunnivant explained. "I don't know yet just what the figures will be."

With a county assessment up 14.1 per cent this fiscal year to \$6,891,492,410, Placentia's totals, which ranked percentage wise 7th highest among Orange County's cities, was estimated with an 18.1 per cent increase, following last year's 22.5.

Valuations for 1975-76 are estimated at \$98,591,470, up \$15,079,150. Included are secured and unsecured properties. Unsecured valuations are such items as inventories, mobile homes and boats.

For the school district, the boost was 22 per cent, as opposed to last year's 21 per cent for a total valuation for 1975-76 of \$324,044,020, an increase of \$58,531,500. Of this, \$42,326,230 is unsecured.

The North Orange County Community College District, of which Placentia is a part, reported a 13.2 per cent gain from the county, following last year's 14.2. Fiscal years for all groups run from July 1 to the next June 30.

Total valuation for the college district is \$2,220,928,925, in both secured and unsecured properties, for a gain of \$259,201,420.

Dr. Mullender described the Placentia Unified School District situation: "This does not mean an

[Cont'd. on Page 2]

Library Employees Receive 15% Raise

Newly organized employees of the Placentia Library District gained a 15 per cent boost in salary last week after figures released from the Orange County assessor's office indicated that increased valuations in the area would give trustees sufficient funds to cover the hike.

An additional premium for dependent insurance, sought by employees, new members of the Orange County Employees Association, was not included in the package.

David Snow, Library Director who was also in charge of negotiations between employees and trustees, stated that the board had estimated a 10 per cent increase in tax base, but with the assessor report discovered it would be closer to 13 per cent.

The employees also will retain their retirement plan, which represents an additional 7 per cent of their recompense. Members of the trustees had indicated willingness to eliminate it, if employees indicated and add it to their regular paychecks.

Employees, who originally had sought a 28 to 41 per cent boost, reached a final 15 per cent offer and the board countered with 13 per cent or 10 per cent and payment for health insurance of one dependent.

Snow said the settlement also included a memorandum of understanding, outlining a griev-

ance procedure and a merit pay plan; adjusted salary schedule with nine steps, the top echelon reachable in three and a half years.

Also part time employees may now work 20 hours a week and receive one half of all benefits. "This increases the man hours by six, for which the board is requiring the library to be open one additional hour on Sunday (from 1 to 4:45 p.m., effective July 13)," Snow added.

The new pay schedules include monthly salaries for clerk I of \$497-\$605; clerk II, \$562-\$685; library assistant, \$613-\$747; beginning librarian, \$727-\$886 and librarian II, \$843-\$1,027.

Not included in the negotiations, but also granted increase in monthly salaries are Director Snow, to \$1,221-\$1,488; head librarian, \$966-\$1,177 and the director's secretary from \$613 to \$747. Part time pages will receive \$2.25 to \$2.35 per hour.

Other times in the memorandum, included a partial vacation at six months to adjust future vacations to a more convenient time of year unrelated to hiring dates and illness or injury during vacation that would have presented one from working may be converted into sick leave, leaving the vacation day to be used later as vacation.

Two salary classifications, Clerk II and Librarian II also were added. Sixteen employees belong to the OCEA group.

Letters To The Editor

Incident Of Flag Abuse

To the Editor:

Elks Lodge #2536 of Placentia-Yorba Linda would like to call your attention to a "happening" that occurred June 26th on Santa Fe Street in the "All American City" of Placentia at almost the beginning of this country's Bi-Centennial Celebration.

A group of young men, reportedly training with the Cross Country team for Valencia High School were running along Santa Fe Street when they passed an American flag on a staff in front of a building. One of the runners ran over and took the flag, and ran down the street passing the flag forward to the front runner of the group who waved the flag as they ran down the street. When personnel of the company owning the flag caught up with the group and asked for the return of the flag, the person holding the flag dropped it upon the ground and ran over it. The entire group then followed suit, trampling the flag, leaving it in the gutter as they ran down the street.

The purpose of this letter is to call attention to this act defiling the flag of our country. The flag represents every American citizen, old and young, rich and poor, strong and

weak. To show such disrespect to our flag shows disrespect to every citizen. The strength of this great country is represented by the flag. This act of disrespect weakens this country because it reduces every individual's pride in his own ability, so the country is diminished by that degree. If we allow such activity to go unchallenged, even though it might be an unthinking, careless, immature act of a few, every American will be diminished. We cannot tolerate this kind of activity.

As this incident was caused by students as part of a school activity, it causes us to wonder about the scholastic content of their training concerning the American way of life as presented by the Placentia Unified School District. It is our sincere hope that this incident was just a single occurrence and that the school board and teachers of the school district do teach and believe in the ideals that the Flag of our Country does in reality represent. We are also curious about their home life.

Respectfully yours,
Charles Parker, Secretary
Placentia-Yorba Linda
Elks Lodge #2536
Placentia

NO ONE WAS HURT--when this stalled camper and the Santa Fe Train collided at the crossing of Jefferson Street and Orangethorpe Avenue last week. Engineer Floyd Lauchlin of Fontana was unable to stop the train before hitting the rear of the vehicle. The occupants, Mrs. Flora Raya, her year and a half old daughter Jackie and a pet dog, escaped injury by leaving the truck moments before the impact.

Avocados' Fate To Be Just Another Street

A tract of six homes, on the northeast corner of Madison and Bradford Avenues, received endorsement of the Placentia Planning Commission, despite controversy over a row of avocado trees on the property.

If the trees remained, as Commissioner Walter Nollac desired, homeowners on one side of the short cul-de-sac street within the tract would have to sacrifice their

sidewalk.

Commissioners voted in favor of the homes, which will be constructed by Wilco Building Company of Anaheim on one and a half acres, and in favor of the sidewalk...but not the trees.

As a consolation, one commissioner recommended that the short cul-de-sac might appropriately be called in deference to the battling commissioner, "Avocado Way."

Ronald Reagan Column

by Ronald Reagan
Copley News Service

Ten years ago the Food Stamp Act was passed to help America's needy get a nutritious diet. Today, the program is so far out of control its operations resemble a madhatter's tea party.

Help may be on the way. A bipartisan Food Stamp Reform Act of 1975 has been introduced in Congress which could bring the program under control and save the taxpayers \$2 billion a year, while at the same time increasing benefits for the truly needy an average of 29 per cent.

In 1965 there were fewer than half a million food stamp recipients. The program cost \$36 million that year.

This year, it's estimated there will be 19 million Americans on food stamps at a cost to the taxpayer of \$5.2 billion--an increase of more than 14,000 per cent!

That first year, one in every 439 Americans was on food stamps; today, it's one in 13, and soaring upward. It could be much worse; potentially one-fourth of the entire population--52.8 million persons--is technically eligible.

Are there really that many poor and hungry people to feed? No, the problem lies with the liberal, loose eligibility standards for food stamps.

Last year in California, I appointed a governor's task force to study the Food Stamp Program, along with one which was reviewing the effectiveness of our 1971 Aid-To-Families-With-Dependent-Children (AFDC) welfare reforms (we had reduced the rolls by nearly 400,000, while raising grants an average of 43 per cent).

The food stamp task force found that many college students were technically eligible and drawing stamps, though they came from wealthy families. There was no maximum income limit to qualify for food stamps. There was no minimum age requirement, so that teen-age runaways living in communes could even qualify. And, unlike the welfare program, food stamp rules did not prohibit the rearrangement of one's assets in order to qualify.

Other problems involved lax physical security and movement of the stamps and inadequate counterfeiting safeguards.

Most of the reforms the California task force recommended, however, had to be accomplished at the federal level, since the program is federally mandated.

For several months a group of U.S. senators and congressmen has been studying these recommendations and others and has incorporated a number of them in the new reform bill now co-sponsored by 59 members of the House and 17 senators.

Their objective is to reverse the explosive trend of the program. They are alarmed that more than half the potential recipients--57 per cent--have incomes above the poverty line.

Their bill spells out in detail the reforms needed to bring it under control. Basically, the bill relates eligibility to that of AFDC and general welfare programs providing for similar eligibility standards. This should eliminate, for example, the voluntarily unemployed, strikers, college students subsidized by their parents and people who transfer assets to others in order to qualify.

Among other things, the bill would require able-bodied recipients without children under age 6 to register for work and seek it, or to enter community work training programs if their state has them. This is not required now, hence the bill's objective: no rewards for idleness.

If the bill passes, the program will move out of the Department of Agriculture, which got it in the first place because the intent was to feed the needy from agricultural surpluses. The surpluses are long gone, but the program now accounts for more than 60 per cent of the USDA budget. It would move to Health, Education and Welfare, which administers the rest of the nation's welfare programs.

While bringing the food stamp mess under control, the government will upgrade the diet formula for recipients, raising coupon allotments by 29 per cent, and will reduce stamp costs for the aged.

Rarely enough these days does Congress consider the hard-pressed taxpayer. With this bill it does, while also helping the truly needy (not to be confused with the wanty, a far different and much larger group).

PRA Plans Community Meeting

A neighborhood forum, questions-and-answers program, sponsored by the Placentia Redevelopment Association, will be conducted Thursday, July 10 at 7:30 p.m. at the Chester Whitten Building, 900 South Melrose Street.

Alfredo Garcia, PRA vice president, in charge of the program said there will be a number of special guests including Police Chief Norman Traub, or a representative, if other business will not permit him to attend; Placentia City Councilman, George De Jesus and from the Placentia Unified School District Board of Trustees John Balducci and Mrs. Jean Pappas.

Others attending will include Richard Samp, Placentia Director of Recreation and Maintenance Services Department; Mrs. Clairee

Tynes, who has been active in the Student Mothers Program and Mary Freer, a deputy probation officer from the Orange County Probation Department, Orange.

Others include Irma Alyala, Placentia, president of the Title I program; Catholic Fathers from Casa Miguel; Mary Gerhold, a former school nurse; David Heil, principal of McFadden Elementary School and representatives from Manpower and the Placentia Social Services Department.

Garcia said that guests will be invited to speak and the meeting will then be open to a questions and answers period.

There will also be a brief tour of the new community facilities and the swimming pool and refreshments will be served, Garcia stated.

School, City Assessments

(Continued From Page 1)
increase in general purpose revenues."

He said further because of the system in the state school building program it could mean that the \$20 million in school building bonds recently voted in by district voters "won't go five years."

The state building program operates to assist fast building districts whose tax revenues do not keep pace with their growth. With two large jumps in assessed valuations in two consecutive years, a third such increase might phase the district off the eligibility list.

"I don't think it is likely that it will take us clear out of the program,"

Dr. Mullender estimated, "but the state will give us less."

He said also that the differences in valuation between PUSD and the Yorba Linda Elementary School District, in intermittent discussion of a merger of the two entities would probably not be noticeably affected either way.

Schools now on the drawing board include the John O. Tynes Elementary School in Placentia and an unnamed elementary school in Anaheim. El Camino Real Continuation School is now building. Also possible in approaching future plans could be the acquisition of a junior high school site.

HUD Grant Expected For Projects

A three-year-grant of Housing and Urban Development Funds, to the amount of \$391,000 is anticipated by the city of Placentia for use in local projects.

The greatest need for the funding, previously discussed by the Placentia City Council, was for improvements in the Atwood area, which is in need of sewers, storm drains, curbs, and gutters and street and light improvements.

Ben Minamide, Placentia City Engineer, said that no direct word

on the grant has been received as yet at City Hall, but that word is anticipated. The first year's allotment is expected to be \$65,000.

Minamide said that any project selected would require further city council action before they are designated and that a total of \$745,000 is the amount that would probably be required to construct all necessary improvements in the Atwood section both north and south of Orangethorpe Avenue.

Chargers Win League Crown

The Placentia Chargers have won the crown of the Southern California Softball League for the second time in three years.

Art Goodman, owner-manager said the team secured first place with dual wins Saturday at McFadden Field over San Jacinto 5 to 4 and 10 to 1.

Further assuring the Chargers the top spot were Mission Viejo losses to Norco of 3 to 1 and 5 to 2 Sunday at Mission Viejo.

The Chargers will be idle until

Wednesday and Thursday, July 16 and 17 when they will host the Salt Lake City Shamrocks at 7:30 p.m. games at McFadden Field, Melrose Street and La Jolla Road.

Placentia Will Be In The Movies

Placentia is going to be a Texas oil town in the movies!

The Placentia City Council Tuesday night gave their unanimous approval for Santa Fe Street to be used as setting for a Cal State Fullerton Student motion picture called "Call Me Charlie".

Santa Fe Street and other environs around Placentia, including the Tlaquepaque Restaurant, will be used for location shots.

With the story line still a secret, it is known that Placentia will be a Texas oil town, and that there is a main character named Charlie whose dog will be run over in front of the Tlaquepaque Restaurant, although that tragedy, actually, will take place somewhere else.

Shooting for the Santa Fe scenes will be on Tuesday, July 15 but the

time has been changed to 11 p.m. to 2 a.m...unlikely to interfere with local business.

Also a daylight exterior shot, which was to have been put on film at Elsinor, will now be photographed in Placentia. Time and place are Sunday, August 3, all day on the north side of Santa Fe Street between Main and Melrose Streets.

"We need this stretch for an extensive dolly shot," director William Brian Lowry explained, "and we chose this for the main reason that there are no businesses open on that side of that one block area."

The casts and crew, however, will apparently be imported, as no call was placed to recruit "extras" from the local scene.

Students To Delay Italian Trip

An exchange visit to Piacenza, Italy by fifth graders from Morse Avenue Elementary School and St. Joseph's Catholic School in Placentia, has been indefinitely postponed, the parents of the youngsters reported this week.

The trip, planned tentatively for early September found too many conflicts with opening school schedules, which would cause the Catholic students to miss the first two weeks of their semester.

"There were just too many problems," Mrs. Pat Alves reported. Mrs. Alves was in charge of the visit of Piacenza students to

Placentia last month, which prompted the American youngsters to begin planning for a visit to the homes of their previous guests.

Mrs. Alves said the consensus now is to start planning for the return visit next June, to take advantage of lowered air fares, but to avoid the conflict of missing school time.

"It became impossible," Mrs. Alves explained. "The trip is off for September but on for June." She said also the delay would be used by the students wishing to make the trip, "to learn a little Italian."

Key Ranch Purchase Anticipated

The Orange County Board of Supervisors is expected to take action on the purchase of the George Key Ranch at the corner of Bastanchury Road and Placentia Avenue, Placentia, during the first week of July, the city reports.

Intent of the county is to purchase the property, which contains the Key home and surrounding orange groves and preserve it as a historical place.

The ranch, which is virtually a museum of artifacts, has already been designated as top priority for preservation by the Orange County

Historical Commission. It also has been placed on the National Register of Historical Places, making it eligible for federal grants.

Information from Jack Slota, administrative assistant to City Administrator Edwin Powell is that if the supervisors approve the purchase, they will proceed to acquire the property immediately, whether or not federal funds are available. Acquisition is expected to take between four and six months.

How the property will be operated will be decided at a later date.

City Council-Chamber Set Forum

The Placentia Chamber of Commerce and the city of Placentia will hold another public forum breakfast at 7:30 a.m., Thursday, July 24 at the Backs Community Building.

All members of the Placentia business community are invited to

attend for a discussion of any business community problems.

The forum will be attended by Mayor Robert Lyons and other members of the Placentia City Council. It is the second in a series. Coffee and doughnuts will be served.

A FAMILIAR LANDMARK, the Welcome Arch built by Placentia Jaycees, may survive a move necessitated by encroaching underground sewer construction. The concrete block arch, which has heavy wooden beams and a red tile roof may be moved to the entry of Tri-City Park, near where it now stands, if architects for the park find it suitable. Members of the Tri-City Park authority voted to accept it with the condition. The roof of the arch and sign would be saved and the remainder rebuilt because of the difficulty in moving it. The sign, which now says Welcome to Placentia on one side and Vaya Con Dios [God Go With You] on the other would be changed to identify the park owned by the cities of Placentia, Fullerton and Brea.

Employment Service

The Placentia Office of Social Services announced today that Jose Martin-Diaz is now working as the Employment Recruiter Counselor serving Placentia.

Martin Diaz will be conducting local businesses to secure employment opportunities for Placentia residents. Employers wishing to hire qualified applicants for unfilled positions should contact him at 993-8178.

In order to provide placement and counseling assistance to unemployed

residents, 18 years and over, Martin-Diaz will be interviewing people on the following days between 8 a.m. and 12 noon: Mondays, Whitten Community Center, 900 S. Melrose Avenue (993-8133); Wednesdays, Gomez Community Center, 1701 Atwood Avenue (993-8236) and Fridays Backs Community Center, 201 N. Bradford (993-8178).

Further information may be obtained from the Social Services Office at 993-8178.

Professor Heads Journalism Institute For Teachers

Professor James Alexander of Yorba Linda will conduct a two-week institute at California State University at Fullerton (CSUF) for twenty-eight high school journalism teachers beginning July 6. Grants to attend the institute are provided by the Newspaper Fund, sponsored by Dow Jones and Company, publishers of the Wall Street Journal and The National Observer. Newspapers in home cities of the

teachers are assisting with travel and housing costs. Daily and evening sessions will deal with writing and editing as well as topics of concern to advisers of high school newspapers. Sessions will continue until July 18.

According to Alexander, institute director and professor of communications at CSUF, reporters and editors from a number of Southern California news-

papers will take part in the program. Teachers are chosen on the basis of interest in journalism teaching and a lack of undergraduate preparation in this field.

Teachers will contribute to the campus newspaper during the institute and have completed a pre-institute program in basic news writing instruction prior to their arrival, Alexander noted.

Local Cities Collect State Tax

June apportionments of state taxes returned to Placentia and Yorba Linda will amount to \$77,525.80, the State Controller Office reports this week.

With highway users taxes accounting for the largest share, Placentia will receive \$22,454.89 and Yorba Linda \$15,517.09. In lieu motor vehicle license fees will add \$16,440.10 to Placentia and \$11,268.55 to Yorba Linda.

Cigarette tax increases the Placentia totals by \$7,484.72 and Yorba Linda's by \$4,360.45.

June totals for Placentia add up to \$46,379.71 and Yorba Linda's returns equal \$31,146.09.

Non-Parents

The National Organization for Non-Parents, Orange County Chapter, will be holding a garage sale to raise funds for its chapter and community activities.

The sale will be held at 959 Elm Street in Santa Ana, and will run two consecutive days, Thursday, July 10, and Friday, July 11, starting at 9 a.m.

All manner of items will be available for sale from clothing to furniture. Items may be donated to the organization by calling 993-4921 for pick up schedule. All donations are tax deductible.

Excursion

Reservations

On July 17 the Recreation Department will sponsor an excursion to San Diego's Sea World, where killer whales perform. The ticket price for all shows is \$4.35 for children up to 12 years, and \$6.10 for adults.

Reservations can be made at the Recreation Department office or call 993-8232 for further information.

YOUR PHARMACIST SPEAKS
By John Payne
Owner-Reg. Pharmacist
Suppose you've been served a crisp, green salad topped with roquefort dressing...or maybe you're having roquefort cheese for dessert. Would you ever imagine that you're eating a possible substitute for penicillin? Well, you are, even though it's in a pretty weak form.

Hundred of years before Sir Alec Fleming accidentally discovered penicillin's medicinal possibilities, the same mold was providing common, everyday roquefort cheese with portions of health-giving value. Fleming happened to be the one who made the discovery.

But wouldn't it be funny if he just happened to be eating a roquefort cheese sandwich at the time? Penicillin and all other modern medicines are stocked here for your convenience. They await your doctor's prescription in our Prescription Dept. at LINDA VISTA PHARMACY, where only your prescription gets more attention than you do.

HANDY HINT: If plastic dinnerware has accumulated a film, remove it with a damp cloth dipped in baking soda.

Juniors Start Parkettes

CLEARING THE WAY for planting the parkettes at Valencia Avenue and Bastanchury Road are Placentia Junior Round Table parkette chairman Kathy Andres (left) and conservation chairman Marcia Willett. Junior Round Table members are providing both labor and materials for the project.

The Conservation Committee of the Placentia Junior Round Table began work on their two year Parkette project Saturday. The parkettes are located at the intersection of Bastanchury Road and Valencia Avenues.

Last year the Juniors raised approximately \$300 to purchase the needed landscaping items. Workdays to develop the corners has been planned for the spring, but were rained out. The project will be completed during the 1975-76 club year, the organization reports.

Some of the other conservation projects planned for the coming year are an essay contest for junior high school students on Pollution and Beautification of Placentia and the formulation of plans for a rose garden. However, the main project in this area for this year is the completion of the parkettes, the group explained.

Aloha Lunch Given CHOC Member

Yorba Linda's Littlest Angels held a going away party for active member Marie Lane who will be moving to Hawaii with her husband Ben and family.

The luncheon was held at the Yorba Linda Country Club and those attending were Mary Ellen Pickrell, Mary Marx, Betty Jo Burns, Shirley Wright, Doris Knauff, Marianne Hodgkins, Barbara Scanlin, Fran Jensen, Frankie Dion, Ann Barnes, Judy King, Mary Liston, Edie Bizzell, Esther Sheldon, Marie Slusser, Carol Pickup, Lynn Landgren and Dorothy Struchen. Marie was presented with a gold CHOCO charm and will be greatly missed by all her guild friends.

Seniors Plan Several Excursions

Members of the Placentia Senior Citizen's Club are planning several excursions, lone Aldrich, tour director of the group reported this week.

Among the excursions are a trip to San Francisco, July 22 through 25; in August a jaunt to the Rogers Garden and a Harbor Cruise and in September a tour of Bumble Berry Valley, Utah, Zion and Bryce Canyons.

A Caribbean Cruise with three days in the French Quarter in New Orleans is in planning for October 10 through 19 and in November three days and two nights in Ensenada, Mexico. A December special will be a Christmas Lights Tour with more particulars available later.

The Placentia Seniors are among the most avid travelers in the city.

OOPS!

An article in the Star's June 24 edition had the correct information in the story but the headline was misleading.

The Country Club Riders are searching for "new" members of either sex not just "Men" members as the headline inferred.

the Summer Scene

by Mariane Hodgkins

Vacation time is upon us and busy club members are settling in at the beach, preparing for summer trips or relaxing with their families. Little league season is over, football is beginning and summer school is in full swing. Will the chauffeuring ever end?

Members of the TOPS CA 516 elected new officers at a recent meeting. New leader is Barbara Anzevino assisted by co-leader Cathy Hively. Jan Blee will be secretary, Madeline Aquilar, treasurer, and Elain Hanson, weight recorder. A new club has been formed. The Joy's L Teens, under the direction of the Yorba Linda Junior Woman's Club, is coordinated by past president Judy Dougal.

Placentia-Yorba Linda Junior Athletic Association

elected Wendy Elliott president and Clair Keefe vice president. Football, mothers are encouraged to call Wendy to fill open board positions. Jackets will go on sale at the time physicals are given.

Mayor Carolyn Ewing and the City Council felt Christmas had come early this year with the offer from the Yorba Linda Woman's Club to dedicate their clubhouse to the city as a community center.

Senior Citizens fun nights will continue through the summer. Wrap a food item or canned good and join the fun. Helen and Lloyd Zimmerman will represent the club at the Orange County Fair on Senior Citizens Day. Bob Hope will crown the king and queen. Good luck to the Zimmermans.

wards were presented to those who had been especially involved in this "labor of love". Mrs. Dick instructs knitting and crocheting at Braille Institute. KMPC radio personality Sonny Melendrez served as master of ceremonies. Ms. Gilbert and Terry Neal, assistant manager of the Orange County Branch made the presentation.

Braille Institute is a non profit organization for training, education and assistance to the blind. It is entirely supported by gifts and bequests from the public. The Orange County branch is located at 527 N. Dale Avenue in Anaheim.

Mrs. Dick Honored

Placentia resident Mrs. James (Wynette) Dick was honored at a first annual champagne tea in the Sherman Foundation Gardens, Newport Beach.

Members of the Braille Institute Auxiliary of Newport Beach were hostesses for the afternoon event. "Our volunteers are vital to our program of training, education and special services for the blind," says Shirley Gilbert, manager of the Braille Institute branch in Anaheim. "We couldn't operate without the volunteers-they outnumber our regular staff ten to one!" "Super Volunteer" a-

Chamber To Install

Mayor Robert B. Lyons will install the new officers and members of the board of the Placentia Chamber of Commerce at an installation luncheon to be held at noon Thursday, July 17 at the Alta Vista Country Club.

New officers include Rose Lembke, president; Tony Morales, first vice president; Jean McGarrrity, second vice president and Lee Castner, treasurer.

Board members are Charles Barranco, manager, Bank of America (North Branch); Judy Berry, manager, Commonwealth Escrow Company; Mary Bette, manager, Fullerton Savings and Loan; Robert Davis, president Davis and Associates; Norman DeVilbiss, manager, Southern California Edison Company; Richard Harman, owner, Falcon Enterprise; Dr. John W. Mullender, Assistant Superintendent, Placentia Unified School District and Leonard Rodgers, vice president, Century Federal Savings and Loan.

Members of the board have been increased from 11 to 15, the chamber reported.

Dulcimer Music On Program

The Placentia Library reading club program on Tuesday, July 8 at 2 p.m. will feature Cliff Nelson and his daughter, Sarah Nelson.

They will be demonstrating how to play a dulcimer and will talk about how the dulcimer originated. They will also play some old time folk songs.

Craft sessions are offered each Thursday at 2 p.m. with a new sign up sheet available every Thursday morning, the library reports.

Library Showcase

Coming attraction:

A subscription film series is planned by the Yorba Linda library A-V department for July and August. The series will offer four recent, top rated, popular films to subscribers for a nominal \$2 charge. The program begins Thursday, July 17 at 7:30 with Ryan and Tatum O'Neal in "Paper Moon" and continues on alternate Thursday evenings through August. For a complete listing of films to be shown, dates and ticket information call the

Yorba Linda library A-V department, 528-7039. **Peddie parade:** Information and sign-up sheets for the Yorba Linda Friends of the Library Bike Ride for America are now available in all departments of the library. The Friends are seeking funds for their bicentennial project which is the purchase of Alistair Cook's film series "America". The films will be donated to the library's A-V department for the use and enjoyment of all patrons.

Mrs. John Harman Elected

Mrs. John Harman, will serve as president of Xi Theta Psi chapter of Beta Sigma Phi for 1975-76.

Mrs. Harman, her husband, and their three children Michelle, John IV and Jamie have lived in Placentia for the past 8 years. She joined Beta Sigma Phi in 1968. In 1973 she was chosen outstanding Beta Sigma Phi by Northern Orange County Council and in 1974 was chosen Girl of the Year of the chapter.

Xi Theta Psi has 18 members who actively support Cystic Fibrosis, Stanford Kidney Research and Girls Town USA. Last

year they raised over \$700 for these charities at their annual Fashion Show, held each October. This will be the third year members have sponsored a teenager at Girls Town USA. In addition to the funds sent each month, members send personal gifts throughout the year for all holidays and special occasions.

The chapter meets the second and fourth Monday of each month, September through May, and a cultural program follows the business meeting. Social functions are held during the year to include husbands.

MRS. JOHN HARMAN

Ms. Bennett Elected

The Student Democratic Coalition held its first statewide convention at UC Davis recently, electing as president Steve Smith of UC Davis. Barbara Bennett of Placentia, a student at Cal State Fullerton, was elected vice-president of the statewide organization.

Ms. Bennett is a graduate of Valencia High School and Fullerton College.

The organization established its Declaration of Principles, which sets forth six basic goals: "a participatory and representative democracy; and equitable and democratic economic system; a natural environment, healthy for all forms of life; a humanistic foreign policy; equal educational opportunity; and the protection of the individual rights and civil liberties of all humanity."

To achieve its goals, the SDC emphasizes the importance of participating in

campaigns and lobbying for specific legislation. Secondly, it recognizes the need to serve as an instrument to educate fellow students and society. Finally, the SDC has aligned itself with the Democratic Party, which it finds to be the most responsive and capable party to meet the needs of the people, in hopes of providing positive influence from within, said the Coalition spokesman.

FESTIVAL BUDGET

The Placentia Heritage Festival Days Board of Directors is seeking \$1,365 from the city budget for operation of the festival this year, Ed Houston, president, indicated to the Placentia City Council. Of the funds, \$1,000 will be spent for production of the annual parade and the remainder on publicity and general public relations, Houston stated.

SHARON SMITH

Cal Poly Scholarships

One hundred and fifteen agriculture students at California Polytechnic State University, San Luis Obispo, will be aided in their educational objectives during the 1975-76 academic year by \$500 Leopold Edward Wrasse Scholarships.

The awards were announced by the Cal Poly Scholarship Committee and include 68 first time students and 47 continuing students.

Among first time students winning the award is Robert Eugene Flanders of Placentia, natural resources management, Fullerton Community College.

The Wrasse scholarship program was made possible by a bequest of Leopold Edward Wrasse, Fresno area rancher-recluse who left his entire estate to the university for the establishment of a scholarship fund

based on income from the estate.

Wrasse, a German immigrant, thriftyly saved his earnings as a carpenter and later as a raisin grape grower, investing his savings in annuities.

His instructions on granting scholarships from the fund he created include the provision that the recipient must earn money toward his/her educational needs to be eligible for the scholarship.

Wrasse prized thrift and industriousness in his own life and desired that the awards be made to individuals sharing these ideals.

Through skillful investment by the trustee of the bequest, the Bank of America, the fund has grown to a point where the income provides \$500 scholarships for 115 Cal Poly students each year.

Provisionals Introduced At Picnic

Yorba Linda Service League members met recently for a picnic supper at the home of Mr. and Mrs. Roy Gant.

The traditional annual get-together provided an opportunity for members, provisionals, and their husbands to become better acquainted.

Provisionals and husbands attending were Mrs. Bruce Mohn, Mr. and Mrs. Nick Cannis, Mr. and Mrs. Robert Kennedy, Mr. and Mrs. Ed King, Mr. and

Mr. Don Spafford, and Mr. and Mrs. Carl Woodward.

Smith-Howe Engagement

The engagement of Sharon Smith of Yorba Linda to Douglas Howe of Harbor City was announced recently by their parents, Mr. and Mrs. Ronald Smith and Mr. and Mrs. Bud Howe.

The bride-to-be graduated from Troy High

School in Fullerton and has a teaching credential from Biola College. Howe received an AA from Los Angeles Harbor College and is currently attending Biola College.

The couple plan an August 9 wedding.

Red Cross Needs Blood Donations

Going away on vacation? While you're packing and making arrangements to cancel your newspaper and board the family pet don't forget to make a date to give a pint of blood before or right after your holiday, said Dr. John Tully, chairman of the American Red Cross, Orange County Chapter Blood Program.

"The need for blood donations doesn't lessen

during the summer vacation months," Dr. Tully said. "In fact, summertime accidents and injuries usually increase the need for blood. That's why the Red Cross urges regular donors to remember to give 'the gift of life' during this season."

In Orange County, blood donors may call the Red Cross Blood Center, 601 N. Golden Circle Dr., Santa Ana for an appointment.

Magic Clowns Star At Library

The Placentia Library will present the Magic Clowns, Tuesday, July 15 at 2 p.m. All reading club members are invited, the facility stated. Registration is still in progress for the summer reading program.

Story hours for non-readers are Wednesday or Thursday mornings at 10:30 a.m.

BEAUTY TIP by RACHEL

The eye area is almost totally lacking in natural moisture, so the use of an eye cream on a 24-hour basis is needed to prevent wrinkles.

Hair styling is no production-line thing. with us...every cut is planned to bring out latent facets of loveliness.

Rachel's Beauty Salon
19758 YORBA LINDA BLVD.

AMERICAN CHAMPS--First row, left to right: Craig Roberts, Bobby Schmidt, Scott Salter, Bart Touchberry, Jon Bay, Lenny Castillo. Second row: Bill Field, manager; Chris Files, San Jay Saint, Keith Barnes, Larry Castillo, coach; Wally Roark, coach. Third row: Ricky Roark, Herbie Smith. Back row: Shannon Spence and T.J. Emmons. Not present for photo: Lance Benedict and Chris Swift.

Golfing Trio In State Test

Three youthful Yorba Linda golfers are among approximately 150 boys from across the state who may play a round of golf with 1975 U.S. Open runnerup John Mahaffey, Byron Nelson Classic winner Tom Watson or 20 other top touring professionals.

Advancing to the state tournament from the June 25 qualifying round are Jim Renick, Glenn Mehner and Brent Spangenberg of Yorba Linda.

They will compete in the 36-hole California Insurance Youth Golf Classic at Mesa Verde Country Club, Costa Mesa July 17-18.

For the first time in the tournament's seven year history the Independent Insurance Agents Association of Orange County is host.

If the three local boys shoot well enough to be among the top six to 10 scorers they will have the opportunity of qualifying for the Aug. 8-12 national event in Colorado Springs. The exact number of national qualifiers depends on the allocation for the state.

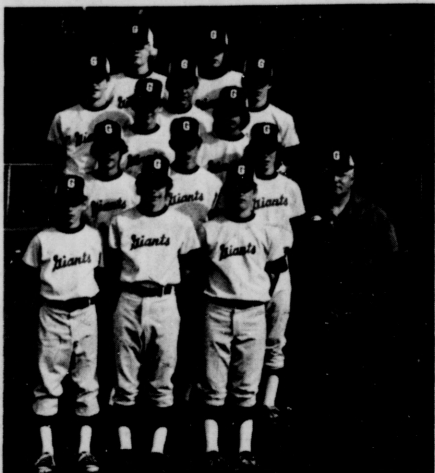

Big Inning Paces Giants

The Padres and the Giants of the Yorba Linda Senior Majors played six innings of outstanding defensive baseball before the Giants exploded for eight runs in the top of the seventh.

After six innings no runs had been scored and each team had only two hits. Fine defensive plays were turned in by Matt Raymond and Mike Enright of the Padres and Billy Kahn and Brad Goettsche of the Giants.

The Giants had a potential run nailed at the plate on a fine throw by centerfielder Rob Neria of the Padres. Jeff Robinson limited the Padres to two hits in the shut out win for the Giants.

The Giants scored their eight runs on two infield hits, from walks and capped it off with a three run double. Congratulations to both teams on a fine season and an exciting championship series.

SENIOR GIANTS--Front row, left to right: Jeff Goettsche, Brian Kerwin, Billy Kahn, Manager John Goettsche. Second row: John Crisanti, Rick Cunningham, Mike Ludwig. Third row: Brad Goettsche, Mark Munoz. Fourth row: Bobby Wood, John Lambert, Dave Leach. Back row: Jeff Robinson, Scott Bracy.

YL Ladies Plan Center For Kids

Jeannette Higgins and Lorraine Scheidt, both of Yorba Linda, are members of a committee which is responsible for the establishment of a Campus Children's Center at Cypress College.

Higgins is the coordinator of the Yorba Linda Adult Education Nursery School Program. Scheidt is one of four community members on the committee.

The Center, which will begin operating in September, was established in response to a continuing bid for child care from parents attending classes at the college, according to Tom Cooper, associate dean, student activities.

The advisory committee has been meeting for nearly

a year to plan for the center. They have hired Mrs. Diane Fleming as director and have purchased more than \$5,000 worth of equipment. Additional information can be obtained by contacting the Campus Children's Center or the Student Activities Office at (714) 826-2220, ext. 241.

District 56 Big League

2nd Half Final Standings

	W	L	T

Royals Win In American

July 2: Royals vs Indians.

Royals 12 runs on 16 hits. Indians 11 runs on 16 hits. Herb Smith pitched six innings for Royals and departed game with score tied. Jon Bay relieved Smith and is credited with a seventh inning win. The winning run was scored from third base by Scott Salter on a single by Bobby Schmidt that capped four fun rally. Mat Watson and Franille Collea shared the pitching responsibilities for the Indians.

July 3: Royals vs Indians.

Royals 5 runs on 11 hits. Indians 4 runs on 8 hits. Bobby Schmidt is credited with the win for the Royals. Back to back doubles by J.J. Emmons and San Jay Saint produced the winning run for the Royals in the bottom of the sixth inning with one out. The Indians had led the game through the fifth inning when the Royals erupted for four runs to tie the score at 4-4 on a run scoring double by Chris Files after a lead-off double by San Jay Saint. Max Darnell pitched very well for the Indians. Each team had a double play in the final game. Key fielding plays were turned in for the Royals in the sixth inning by Chris Files (2) and Lenny Castillo (1).

Indians for the American League championship. Jon Bay accumulated 10 consecutive hits in the final three games for the Royals to pace a 36 hit attack. Lenny Castillo turned an unprecedented number of put outs in a sparkling performance at second base.

T.J. Emmons, San Jay Saint, Scott Salter, Bobby Schmidt, Lenny Castillo, Chris Files, Jon Bay, Bart Touchberry, Keith Barnes and Rick Roark produced key hits at critical points in each of the final two games. Keith Barnes turned in a sterling performance as catcher as did Rick Roark at first base. Bobby Schmidt, Craig Roberts and San Jay Saint held the hot corner down admirably.

Outfielding duties were shared by Scott Salter, Bart Touchberry, T.J. Emmons, Lance Benedict and Chris Swift. Chris Files and Jon Bay shared short stop and left field. Lenny Castillo played second base.

Tri-City Planners Named

The landscape architectural firm of Courtland Paul/Arthur Beggs and Associates of Pasadena and Corona Del Mar has been chosen by members of the Tri-City Park Authority for the planning of the lake-oriented 40-acre park facility. The contract is for \$30,500.

The park, at the northwest corner of the city of Placentia, is owned by Placentia, Fullerton and Brea. Voting yes on the negotiation were Authority Members Mayor Robert Lyons and Councilman George De Jesus from

Placentia; Wesley Smith and Gerald Price from Fullerton and Tom Collins, representing Orange County Supervisors. Brea Councilmen Sam Cooper and Rex Gaede abstained.

The contract approved calls for five phases including a master plan; precise design development drawings of all landscape elements, recreational ac-

tivities, general site plan, grading and lake analysis; working drawings, specifications, bid proposals and detailed construction cost elements; assisting in soliciting construction bids and work in the administration on construction contracts.

Also included is \$4,000 for services as consultants in lake engineering and architect service.

On the third Thursday of every month, the Orange County Health Department conducts a free drop-in immunization clinic for children at the Whittier Community Center, 900 S. Melrose Avenue, Placentia.

The Health Department provides vaccines for measles, rubella, polio, diphtheria, tetanus and whooping cough. It is important that if the child has had some previous

Clinics Open In July

immunizations that the records or knowledge of the records be made available to the Health Department at the time of the clinic, the Placentia office of social services reports.

The immunizations are available to any child under 18 regardless of family income.

A well baby clinic is also conducted on the third Thursday at the Whittier Center for children of low

income families. The clinic provides free check ups for children between the ages of 6 weeks and 5 years on an appointment basis only. An appointment may be made by calling the Orange County Health Department at 834-5304.

The next clinic is scheduled for Thursday, July 17 from 8 to 11 a.m. and 1 to 4 p.m. For further information, contact the Placentia Office of Social Services at 993-8178.

Police Assist Class

Extensive, personalized training is available for students and adults interested in the field of Law Enforcement. The program is conducted by the North Orange County Regional Occupational Program, in cooperation with the Anaheim and Placentia Police Departments.

The class, Law Enforcement Occupations, will cover employment in store and plant security, private patrol and police occupa-

tions. These include safety, law, self-defense, pursuit proper use of weapons and reporting.

Classes meet at three locations throughout North Orange County. Monday and Wednesday evenings from 6:30 to 9:30, classes are held at the Anaheim Police Dept. and the Placentia Police Dept. On Tuesday and Thursday, also from 6:30 to 9:30, classes are held at Troy High School in Fullerton, room 306.

Airman Enters Training

AIRMAN
JEFFREY D. TREVENA

Airman Jeffrey D. Trevena, son of Mr. and Mrs. Irvin H. Trevena of 18700 Yorba Linda Boulevard, has been selected for technical training in the U.S. Air Force accounting and finance field at Sheppard AFB, Texas.

The airman recently completed basic training at Lackland AFB, where he studied the air force mission, organization and customs and received special instruction in human relations.

Airman Trevena, a 1972 graduate of Troy High School in Fullerton, attended Fullerton Junior College.

Apple Dolls On Display At Library

The children's section of the Placentia District Library is presenting an exhibit of apple head dolls.

The dolls on view in the display case are some of the many created by Betty Bough of Santa Ana.

Apple head dolls are made by carving a peeled apple and then letting it dry. "I let nature tell me what kind of doll it will be," Mrs. Bough then makes a padded wire body and adds the costumes and details, spending at least ten to twenty hours for each doll.

Mrs. Bough was taught the craft by her mother and has been creating dolls for fifteen years. She has had exhibits in Tennessee, Alabama and various places in California.

Cartoons And Monsters Entertain

A carnival of all-color cartoons starring Road Runner, Porky Pig, Punch and Judy, Mr. Tingley and many more will be featured on the Placentia Recreation Department's summer playgrounds during the week of July 7 through 11. The program will last approximately one hour and ten minutes.

The following week of July 14 through July 18 some strange creatures will invade Placentia when "Godzilla vs The Thing" will be the creature feature of the week. Cities are shattered, armies destroyed, air forces rendered powerless until Godzilla and The Thing get into one of the most awesome spine-tingling battles you've ever seen, the department previews report.

Check with your local playground for movie times, the department advises.

COMMENTS FROM CALVARY
by R.W. CUNNINGHAM

Paul Harvey, ABC News Commentator says: "For a hundred years the Protestant church and public education in the United States were intertwined and, most of us assumed, inseparable."

The Lord's Prayer and the Golden Rule were taught in most every schoolroom every day. Traditional Christian religious holidays were observed in classrooms, school assemblies and extracurricular school programs.

Since the Supreme Court banned prescribed prayers from public schools, there has been a national revival of interest in private schools. Also, grotesque misbehavior individual and organized, which now characterized many public schools has alienated both students and faculty.

Private church-related schools heretofore could not compete in the open market against the higher teachers' salaries available in tax-subsidized schools. Now many teachers, some fearing for their personal safety, flee the blackboard jungle for the happier environment of a "selective" school. If there is less pay, there are more "fringe benefits" on a Christian campus. Years ago it was argued that students maturing in a "sheltered environment" would, like hothouse plants, be unprepared for the cold outside world.

Now more and more Americans are realizing that it is in fact the public or state-school student who is "overprotected". He is "sheltered" from religious instruction and exposed to all forms of non-Christian philosophy and behavior.

Dr. Kienel explains the forces behind the resurgence of the Christian school movement. But perhaps more significant than anything else is the fact that Americans know they now need an educational program that goes beyond the "do your own thing" philosophy of the sick '60s. Parents seeking our Christian schools for their youngsters are looking for a learning environment that is more disciplined, that promotes patriotism, and where the Bible is not the most dreaded book of the classroom. Christian schools are coming into their own at a time when the truth they represent may very well be the only hope for the next generation.

Quoted from Foreword "The Christian School" by Paul A. Kienel.

AERODYNAMICS SUMMER SCHOOL class at Tuffree Junior High School uses model airplanes to demonstrate principles of flight. Left to right are Larry Waterworth, Peter Dazey, and Tim Pitts.

Search, Seizure Is Topic

The Placentia-Yorba Linda Republican Assembly recently heard keynote speaker, Ms. Claire Kelley, an expert on search and seizure and its relationship to government.

Several of the topics discussed by Ms. Kelley included the responsibility of city government to establish proper procedures for inspections of homes and property within city limits and rights to those procedures.

Citing cases such as *See vs. the city of Seattle* decided June 5, 1967 and *Camara vs municipal court of the city and county of San Francisco* decided June 5, 1967 Ms. Kelley read as follows: "The fourth amendment bars prosecution of a person who has refused to permit a warrantless code-enforcement inspection of his personal residence."

In this instance the appellant was charged with violating the San Francisco housing code for refusing, after three efforts by the

city housing inspectors to secure his consent, to allow a warrantless inspection of the ground floor quarters which he leased and residential use of which allegedly violated the apartment building's occupancy permit."

Ms. Kelley stated that the basic purpose of the fourth amendment, which is enforceable against the United States through the 14th amendment through its prohibition of unreasonable searches and seizures, is to safeguard the privacy and security of individuals against arbitrary invasions by government officials.

The speaker also discussed additional topics relating to search and seizure, IRS procedure for auditing income tax information, what is money, the protections guaranteed to the individual under the U.S. Constitution and the numerous cases recorded in the law books since the beginning of our country's founding.

Low Cost Rabies Shots

A special low cost rabies clinic is scheduled from 7-8:30 p.m., Thursday, July 10, at the Orange County Health Department's Animal Shelter in Orange.

This clinic will give dog owners a chance to complete the dog license application requirements before the application

deadline of July 15. A penalty of \$5 will be charged for any application received after July 15.

Rabies vaccination certificates will be provided at the clinic. Licenses will not be issued that evening. Dog owners must either mail or bring the certificate to the Animal Shelter during

regular business hours at which time the license will be issued.

All dogs four months of age and older must be vaccinated against rabies.

The Animal Shelter is located at 561 City Drive South in Orange, across from The City shopping center. This cost is \$2 per dog.

MINOR HIGHLIGHTS

The Tigers, in their game with the Super Sluggers had a double play that went from Shannon Mechan to JoAnne Lee to Gay Withers. Gay Withers had a home run and Lisa Medina hit a triple. A great catch was made by Laurie Vidovich. Kim Murray pitched a 3 hitter for Tornadoes '75' and struck out 10 against the Tigers. Kathy Juliano had a perfect game at the score book. For Flett's Mets, Sumiye Andry hit a double and Laura Kulbeck hit a triple.

Mary Ricks pitched a 2 hitter in 7 innings against Joe's Tigers. For the Super Sluggers, Carla Cron hit a triple and a double and Karen Ditch hit a triple. In their game with the V-Jays, Annette Lamas hit a triple as well as Melissa Hodges, and Carla Cron hit a grand slam home run. Karen Wakefield caught 4 flies for Kevin's Killers. Brigitte Dennis had a triple, a double and a single. Raylene Strickland had a triple against the Tastee Tigers, and Brigitte Dennis had 6 put outs. Karen Kacandes stole home for the Tastee Tigers and Debbie Van Gorden hit a triple. Barbara Spiro had 9 strike outs.

Lisa Stephens hit a home run for the Cool Cats. Rauna Castinenda and Kathleen Merry of the Roadrunners made some fine defensive

plays. Elaine Wallace hit a home run. For the Alley Kats, Pat Brink had an unassisted double play and Kristi Blankenship struck out 15 batters in their game with the Super Stars. In their game with the Starbursts, Pat Brink had 7 RBI's and Kristi Blankenship hit a 2 run home run. The Thunderbolts had a double play - from Bridget Burt to Grace Garcia. Gina Andrews of the Cubs, hit a home run and a triple was hit by Kerry Stewart. In their game with the V-Jays, the team had a double play - from Gina Andrews to Kerry Stewart to Rene Plonkey.

Lori Olsen of George's Girls hit a grand slam home run. Renae Barraza, Betty Drew, and Lori Olsen helped to make several double plays. Valerie Singleton, Laurie Gallagher, Dixie Steele, Susan Groeschel and Andrea Agrusa played a good game against McNamara's Band. Susan McNamara and Cari Coward hit double for McNamara's Band. Leslie Rowe hit a triple for the Dirty Demons. Karen Haskell and Kelly Sturgeon hit home runs for the Bomberettes. Debbie Giacomakis hit 2 home runs and Shari Willets hit 2 triples for the Super Sluggers in their game with the Red Tornadoes. Kathy Karp hit a triple and batted in 3 runs for the Super Stars. Debbie Henry made an unassisted double play for Jackie's Jewels.

Major League Highlights
For the Big Mac's, Lelia Kay McLaughlin had 3 base hits and Lynn Puettmann had 3 doubles. In their game against the Mean Machine, Lynn Puettmann hit 2 doubles and 1 single and pitched 12 strike-outs. Lelia McLaughlin hit a double and a single. The D.D.T.'s played a nice tight game with the Black Dahlias which clinched 1st place for them. In that game, Pia Larsen hit a triple for the Black Dahlias.

In their game with the Wild Cats, the Blueberries had 2 double plays - from Gayle Spiro to Lori Spratt; and from Cindy Navarette to Tracey Martin. Laura McMurtrey hit two grand slam home runs for the Bakers Dozen in their game with the Mean Machine. Iva Popera hit a double and Laura McMurtrey hit a

THE HUSTLERS won the major division National League in Placentia's Bob-Etts. They are [back row left to right] Manager June Christofferson, Theresa Plonkey, Donna Christofferson, Michelle Normandeau, Wendy Swanson, Sandy Probst, Coach Rick Fleming, Kim Stephen, [front row left to right] Joni Johnson, Kathy Rusello, Kelli Cecalla, Teri Merino, and Lori Falick. Unavailable at picture time was Delaine Olivas.

DILLARDS DARING TALENT TOES (DDT) won the major division American league [and "world series"] in Placentia's Bob-Etts. They are [back row left to right] Coach G.L. Cleveland, Terri Cleveland, Lisa Dillard, Tyra Robinson, Leslie King, Coach Jerry Dillard, Pam Vall, Manager Barbara Taleno, Sandra Talento. [front row left to right] Sherrie Michael, Susan Vicnorne, Shelly Michael, Camille Jesmont, Peggy Anderson, and Christine Anderson.

grand slam home run against the M & M's. Pam Lucio hit a triple for the M & M's. Brenda Plains hit a grand slam home run for Joe's Pro's against the Tonka Trotters and Brenda Knutson hit a double. The Rip-Offs and the Dugout Dozen had an exciting finish to their game. With 2 out in the 9th inning and the tying run on second, Carol Sawa hit the ball over the fence to win the ballgame 12-11 for Ruppert's Rip-Offs.

Basketball Leagues Forming

The Placentia Recreation Department's Summer Basketball Leagues are now in progress at the Valencia High School Gym and Tynes Gym, the department reports.

Three Leagues, one for boys going into the fourth and fifth grades; one for boys going into the sixth and seventh grades and one for boys going into the eighth and ninth grades, have been formed. There will be all-star

games between teams representing the two gyms on Thursday evening August 14 at the Valencia Gym with the following game times: fourth-fifth grade, game time 6:15 p.m., sixth-seventh grade, game time 7:15 p.m. and eighth-ninth grade, game time 8:15 p.m.

There are still spots available at both gyms for boys who are going into the fourth and fifth grades.

Slo-Pitch Play Active

All Star Trophy scored three runs on a three run homerun by Ron Lee with two out in the bottom of the seventh inning to give them a 7-6 victory over Mr. Woodys and put them atop the Placentia Recreation Department's Slo-Pitch league held at McFadden School Field.

Ronman Products received their first win by defeating Calvary Church 8-2. Pro Am fell out of first

place when they were unable to get a ninth man to complete their lineup. Evangelist Free Church was awarded the win by forfeit 2-0. Mr. Woodys took a 6-3 lead when Dick Edem hit a three run homerun. The lead was cut to one run when Ron Reese belted a homerun with one man on base for All Star Trophy. Then the All Stars came to bat for the final time in the seventh. Roy Radcliff

started things off with a single. With one out Steve Morrone singled him to third. After the second out was recorded, Lee hit the game winning homerun. Ronman's scored seven times in the second inning to defeat Calvary Church 8-2.

Both teams have 1-2 records but are tied for third place as Mr. Woodys and the Evangelist Church also have the same records. All Star Trophy is 3-0 while Pro Am is 2-1.

Webb TV, Alpha Tied

Webb TV and the Alpha Center continue their domination of the Placentia Recreation Department's Fast Pitch League at McFadden Field as Webb TV defeated the No Names 10-2 and the Alpha Center squeezed past winless Hartwell Corporation 6-5.

One other game had Yorba Linda Friends down CBS Musical 7-2. Larry Gomez helped his own cause by hitting a two-run homerun in the second inning to give Webb an early 4-0 lead. Gomez pitched a five hitter while allowing only two runs on a homerun by Pat Grogan. The No Names record evened at 2-2.

The Alpha Center scored two runs in the third and four in the fourth to take a 6-3 lead. Hartwell then scored two runs in the bottom of the seventh and had the tying run on second base when the side was retired.

Webb TV and the Alpha Center both sporting a 4-0 record will battle each other for first place on July 10 at 8:30 p.m. at McFadden School Field in Placentia. Yorba Linda took a 7-0 advantage into the seventh inning behind the pitching of Rick Harvey and defeated CBS 7-2 to record their first win of the season. CBS and Yorba Linda both have 1-3 marks for the season.

Angel Game Tickets Available

A few reservations are still available for the Placentia Community Night at Anaheim Stadium on Wednesday, July 9 at 7:30 p.m.

Tickets for the Angels vs. Baltimore baseball game for that evening cost only \$2.50 for the \$3.50 seat, which means a savings of

\$1.00 per seat. The terrace level seats offered are within the first and third base lines.

Tickets for this special event are available, for a limited time, at the Placentia Recreation Department office, Placentia Civic Center and the Placentia Chamber of Commerce.

Table Tennis Tournament

The finals of the Placentia All-City Table Tennis Tournament will be held at McFadden Park on Wednesday, July 16.

Competition will be held for boys and girls age 10 and younger and 11 and older. First through fourth place awards will be given in each division.

Contests will be held at all Placentia Recreation Department playgrounds to determine the playground entrants for the finals.

Any boys and girls interested should check at their nearest playground for further details.

THOMAS F. BRESEE
Thomas F. Bresee of Yorba Linda has been named coordinator for the 1975-76 adult education program to be conducted at Sunny Hills High School by the Adult Education Division, North Orange County Community College District.

PICKETING AT CITY HALL--Thursday were Capt. Steve Brown of the Fire Fighters Union Local 2147 and a friend who told the photographer he wished to be identified as a Placentia taxpayer. Brown later was on television.

PUBLIC NOTICE PUBLIC NOTICE

CITY OF PLACENTIA CALIFORNIA NOTICE INVITING BIDS FOR TRAFFIC SIGNAL INSTALLATIONS

Sealed proposals will be received at the office of the Purchasing Agent of the City of Placentia, City Hall, 401 East Chapman Avenue, Placentia, California, 92670, until 10:00 a.m., Monday, July 28, 1975, for furnishing all labor, materials, tools and equipment to install traffic signals at two locations in the City of Placentia as presented on the plans and in the specifications.

Bids are required for the entire work described herein. The City of Placentia reserves the right to delete any of the bid items as it deems necessary.

Each bid and proposal must be submitted on the proposal and bid forms furnished by the City of Placentia and must be accompanied by a certified or cashier's check or bidder's bond, payable to the City of Placentia, for an amount of ten per cent (10%) of the total amount of the bid.

The proposals will be publicly opened and read in the City Hall of said City on the date and at the time mentioned above.

Plans, specifications and all contract documents may be obtained at the City Hall. A non-refundable charge of \$5.00 for the plans, specifications and contract documents shall be made. An additional charge of \$1.00 shall be made for mailing.

All work shall be completed within forty-five (45) calendar days after the date of the Notice to Proceed to the successful bidder from the City. The City of Placentia reserves the right to reject any or all bids, to waive any irregularities in a bid and to award a contract as may best serve the interests of the City.

Bidders are hereby notified that, pursuant to the provisions of the California Labor Code, the City Council has ascertained the general prevailing rate of per diem wages and the general prevailing rate for legal holiday and overtime work in the locality in which this work is to be performed for each craft, classification, or type of workman needed to execute the contract. Such wage scale is set forth at length in a Schedule of Prevailing Rates of Wages on file in the City Clerk's office and by this reference is hereby made a part of this Notice Inviting Bids.

Court Orders Firemen Back

[Continued From Page 1]

and all members may be called as witnesses. Our attorney is out of town and will not be available for approximately one week. Upon his availability, the union will advise you. If any disciplinary action is taken against any member, it will be considered by members of Local #2147 as a lockout against all members.

The order was signed by the firemen.

The firemen left their posts about 5:30 p.m. last Tuesday.

County fire units were immediately alerted and brought in to man both Placentia fire stations.

Placentia City Attorneys next sought a temporary restraining order which would send Placentia firemen back to their posts. The order, including also the provision that the four suspended men would be returned to roster until the issue could be decided by the courts, was signed Sunday by Superior Court Judge Walter Steiner.

A letter issued Monday by City Administrator Edwin T. Powell and delivered to each fireman individually, stated: "You are again ordered to cease the work stoppage and return to work."

Firemen were warned that if they did not comply with work orders that they will be discharged.

"Further," the announcement continued, "if in the future, you engage in any additional work stoppage in violation of conditions of the negotiated agreement, you will be discharged immediately upon performing such action."

"The union and its members have severely breached their valid negotiated Memorandum of Understanding with the city of Placentia," Powell continued. "The city will be fully exercising its recourse to this breach in accordance with the Memorandum of Understanding and the law."

"Union members were repeatedly warned that any work stoppage may

result in disciplinary action including discharge. Upon return to work by union members, an investigation of the work stoppage will be conducted by the city of Placentia which may yet result in disciplinary action," Powell concluded.

Union members also have been represented by Jim Fisher, Staff Representative of the International Association of Fire Fighters who has flown in from Salt Lake City. Fisher's attempt to arrange a private meeting with members of the Placentia City Council was quickly squashed.

Mayor Robert Lyons answered: "The council does not want to meet with you individually or a representative of the fire union in a private session. Our management team will at any time, day or night, meet with representatives of the union. Our attorney will meet with your attorney or representatives of the union at any time."

"The council does not want to get into closed session. We have in past instances said things on this matter in public, that have directly been misrepresented. We feel that if we get into a closed session we are again at the liberty of the people who misrepresent us. We're willing to hear anything the fire union wants to say, but we want to do it out here so people can make their interpretation. They will interpret it based on the same words we hear...We are willing to do it in an adjourned meeting if you want more time to prepare. We're willing to do it any time you want."

"The union and their negotiations purposely took the council out of the system and you know it as well as I do. The union has fought and won a grievance procedure...the union took us out of the grievance procedure and now you are stepping out of your procedure to come and talk to us. And we don't want any part of that game."

Leaflets were being distributed in

various parts of the city stating that "firefighters were ordered to salvage as much as they could from the old City Hall buildings and to use the materials to fix up the old fire station on Bradford Street."

"The firefighters were also informed that it was OK to salvage some items for their personal use. In fact, the statement was made, 'You better get it now before the building is condemned.' With this understanding some fire fighters removed a few small items. Fire fighters did not damage or vandalize any portion of the building."

The statement concludes, "Your right as a citizen is to demand responsible fire administration through your elected representatives. We urge you to contact your councilmen and ask them to take immediate action to end this impossible situation."

AZTEC TEAM CHAMPIONS

The Placentia-Yorba Linda Aztec Football Team has been officially recognized as a national championship team by national headquarters of Pop Warner Youth Football. The Aztecs are a member team of Placentia-Yorba Linda Pop Warner.

The Aztecs were ranked fifth in the nation among 5800 teams in their age and weight category. The Aztecs are in the Midget Division of Pop Warner Football which consists of boys 11-13 and who weigh between 85 and 120 pounds.

Officials of Pop Warner in Philadelphia said that athletically the Aztecs were the number one team in the nation with an 11 win zero loss record and having only 12 points scored against them. Scholastically the Aztecs were rated eighth in the nation of the 5800 teams. Since the ranking system is based on 50 percent football ability and 50 percent scholastic ability, the Aztecs by total points were fifth in the nation overall according to national headquarters.

HOSPITAL EXPANDS

New emergency facilities which will serve both St. Joseph Hospital and Children's Hospital of Orange County are open this week.

The 6,500 square foot facilities more than quadruple the size of the present emergency room and are relocated off Pepper Street near the front entrance to St. Joseph Hospital and adjacent to CHOC. Special access and ramp have been provided for emergency vehicles.

A receiving hospital for paramedics, the SJH-CHOC facilities are staffed by four full-time emergency physicians around the clock, under the direction of Richard Tabor, M.D., Director of emergency services.

LEARNING how to change a tire in Atwood's "Ideal Woman" class is Gloria Moreno (left) under the watchful eye of instructor Cynthia Coad.

Council To Consider Appointments

Members of the Placentia City Council are expected to consider vacancies and reappointments to various city boards and commissions at an adjourned meeting completed Tuesday night.

Commissioners whose terms are expiring include Robert Bircher, chairman Planning Commission and William Beggerly, Planning Commission; Carl J. Van

Gorden, chairman, Parks and Recreation Commission and Lilly Bircher (Mrs. Robert Bircher), Parks and Recreation Commission.

Commissioners resigning include Edward Northup, Parks and Recreation Commission and Alfred Aguirre, Planning Commission. There is also a vacancy on the Personnel Appeals Board.

Placentia firemen call it a "lock out"; the City Administration calls it a "walkout"; but for you and me and countless other Placentia citizens its a "strike-out". A total strike-out and failure of the city staff, the firemen's union and the city council to resolve a problem facing our city. The current absence of firemen from their posts is just one more sign of the long standing battle between the City Administration and the Fire Department.

As this is written, we have no Placentia Fire Department. Whatever fire protection we are getting is coming from the County of Orange and its costing us plenty. Estimates range from \$1,000 to \$1,500 a day. It seems the County will not use any fire equipment except their own; so our fire trucks sit empty and waiting while we pay costs that are mounting and mounting for manpower and equipment.

Current Deadlock

The current deadlock began, sadly enough, when four firemen allegedly "ripped off" the old City Hall and criminal charges were filed against them. All four were promptly fired.

A few days later four more firemen were given a month's suspension, one was given a written reprimand, and this is what the firemen are objecting to. Since no criminal charges have been filed, its probable there isn't enough evidence to warrant doing so, but I guess suspicion is enough for suspension.

Who Backs Who?

The City Council has thus far refused the pleas of the firemen to mediate the dispute, stating the labor contract does not provide for it. The Council looks to their administrative staff but they are so deeply a part of the problem that nothing they do is effective except to add fuel to the growing anger of the firemen. Nevertheless, the City Council made it clear that they are backing the city staff; the union is backing their firemen; as for you, me, and thousands of other citizens - who is backing us?

What Is The Answer?

People who I like and respect feel the firemen are totally wrong; others feel just the opposite. It seems there is no middle ground; you are either for the city or for the firemen, and that is sad. It is this irrational bias that makes the problem difficult to solve. No one, over a long period of time, is 100% right whether its the city, the firemen or you or me.

It seems obvious that any long range solution will come from outside the city; most of us within the city are too prejudiced one way or the other to see the issue clearly. The sooner we recognize that the better. The City Council could appoint a blue ribbon committee of leaders outside the city to investigate the entire problem and make recommendations that might ultimately bring peace and harmony to our City and Fire Department again. It would seem a reasonable thing to do.

Churchill Said

"The farther backward you can look, the farther forward you are likely to see."

[Continued From Page 1]

"I would like to mention particularly the family of Pastor Lewis (Phillip Lewis), the family of Mrs. Pritchett (Lewis-Barbara), who house my family at the present time, the family of Mr. Redding (Elcho Redding, Orange Coast College professor), who is teaching all my family English and certainly I cannot forget my friends in this area.

"Their attitude, their love, surprised me completely, because I have before and particularly after this situation from Saigon, had a very bad image of the Americans in general. Even though I had a lot of good friends and close friends from my American advisor collaborators when we were in Saigon."

"The reason I was surprised is that I saw the American people as a military people and technicians. And certainly they were only the expeditors of certain policies that we don't always appreciate. And what I am surprised is, that these people here, this group of American friends, who always try to give us this help at the present time...this love...and they try to give us this confidence in ourselves during this so dramatic period...this so dramatic situation. And I think it is the best thing...it is the most precious thing."

"When we left Saigon, when we left our country, we abandoned everything. And we are now, practically speaking, like the leaves the wind blows. I am sorry also, that the contrary may be true. Maybe the American people got before also the very bad image from the Vietnamese people. And it is not the exact image. So that I hope we can get more comprehension, and this comprehension based on love, will help us to be able to bring some contribution to this country. Because we don't like to be the burden to the American people."

"We come here because of a certain special circumstance. And I think Americans have to admit this fact of reality."

Concerning the evacuation: "I intended to leave Saigon only on the last minute. Certainly because of my position. President Thieu had left; Air Marshal Ky. The Prime Minister of this so called National Union Cabinet in which I participated. The men from the government party left three days before."

After Dr. Neim was helicoptered from a capitulating Saigon, he was transferred to the Seventh Fleet and to a cargo ship where he and 7,000

other people were transported in the cargo hold for four days to the Philippines.

After a week in the Philippines, Dr. Neim was transferred to Guam and an American friend interceded and he was transferred to Fort Chaffee in Arkansas.

In the meantime, his frightened family, including his mother, speaking no English, anxiously awaited word of him here in Placentia, after leaving Saigon a week earlier than he and ending in Camp Pendleton where relatives and Placentia's Calvary Church interceded. A cousin, Ton That Cuong, has been living in this area and working on his doctorate at UCLA.

"Life has for us a lot of surprises," the doctor contemplates.

Concerning the evacuation and the immigration of the Vietnamese people: "I may be wrong, but it seems to me that this rescue operation was not exactly organized. It was in disorder. It was not planned. And a lot of people, they like to leave, because they are afraid for their lives."

"The Vietnamese suffer a lot...a lot of suffering that myself and my family, my relatives in my country, but now we suffer more when we see the fall of Vietnam...and the feeling of not being able to contribute to our country. Such agony. We tried to save the country. There were many left there who would like to have left."

"When I talk about Nationalists, they cannot live under Communist regime. It will be their Vietnam. I have had no communication with the country since I left. I would like to forget the past-I am deeply moved. We are all responsible. And I still hope that maybe this defeat from the Nationalists camp, even at so high a price, perhaps could bring peace to the majority."

"We (my family) have a problem. It doesn't surprise us. I am a doctor. I have to prepare again. There are possibilities of a special training program from the federal government. I hope it will be realized for the benefit of all."

"I would like to practice medicine. I have no choice. I must support my family. People here have made a lot of effort to help me."

At Fort Chaffee, Dr. Neim was the spokesman for 130 doctors, 60 pharmacists and 30 dentists.

"We do not want to be a burden on the new society...we need a comprehensive plan and I think for

each case there should be a case worker to analyze each one so help is more efficient...with understanding. What they need in the private and official sector is better organization."

"Now it depends on whether you are lucky or not. That is not a good plan. My people need the possibilities of training for a new skill."

"The Vietnamese are patient enough and realistic. We are trying to see the broad view of the future...not to see the past."

"What I try to get is not for me. I have no illusions now. The problem for me now is how to survive, because the people, they wish to really like the country. Now it is very hard to realize...very hard to be a part of the life. It takes a special psychology. I would like to say, they suffer strongly. Only people who feel strongly can understand."

"Everybody was very exhausted through this long, hard and dangerous trip from the evacuation. Personally, I lost about ten pounds."

And not all of the doctor's family escaped. "Unfortunately for my wife it is not the case...not all family members are out. A lot of brothers and sisters were left so that it is a problem for me. We are trying to get them out."

"We have reached the fact of reality now. It is in the past now. Even if I had to do this suffering all of my life, there is nothing I can do. I have to think of the future. I have at the same time this feeling that I did not get yet the opportunities to contribute to the nation. Because, to be under the military regime is far different."

"With my experience as a politician I can say to you that politicians are like artists, that when the curtain falls, they have to live maybe, in the memory of the people. It is their only consolation."

(Next week, Placentia's growing Vietnamese colony and the work of the Calvary Church and Rev. Phil Lewis.)

"Peggy's Pointers"

It's the time of year when we Californians take advantage of our weather and live outdoors. Interior design should be carried outdoors, too, and our patio environment should be as appealing as our interiors.

Chaise lounges and patio sets seem to go with our casual way of life. What should you look for when shopping for one?

Above all, it should be comfortable. If the chairs have cushions, they should be filled with a soft, but weatherproof filling. The exterior fabric should be waterproof and fadeproof.

If you are fond of metal patio furnishings with vinyl strapping, you should consider several things. The finish should be made of a durable substance which will hold up well over the years. The best finish resists scratching and unless it is gouged badly, will not rust. Examine the strapping - Can it be removed easily for repair? It is wise to choose patio furniture which can be easily repaired at home.

Remember that your patio should look attractive from inside the house as well. Potted plants, especially seasonal flowers, artfully arranged, add a lot to your exterior decoration. And don't forget that barbecue! It needn't be an eyesore - especially when it's a Charmglow gas or electric grill!

Any questions? Drop by - we'll try to answer them for you!

Regards,

Peggy
